

Habitat Hero Biography

Habitat for Humanity want all of our Habitat Heroes to know that you are not alone and that you are all part of a united group of people with one common goal; **to create a world where everyone has a safe and decent place to live.**

We have many wonderful volunteers and, united, we will be one step closer to making this goal a reality.

We would like to share information about our Habitat Heroes to the rest of our supporters and begin to build a **Habitat Hero Community**. We will also use this information to let you know when events are happening that may be of interest to you or your friends and family.

You may have started your journey on a Global Village build, volunteered previously or feel passionately about **giving people a hand up out of poverty**. If you enjoy getting involved in your local community and have links to schools, youth groups or religious institutions. We will help you maximise these opportunities.

Please take the time to answer the questions included in this document in as much detail as possible as this will help us to identify opportunities where you can aid us to further our vital work.

Please also remember to send a quality picture of yourself that is appropriate i.e. on a Global Village build, fundraising, wearing a Habitat for Humanity T-shirt or **with a BIG SMILE!**
