Need to know:

NOTES:

- ✓ The arrival and departure day may vary based on available flight schedules.
- ✓ All team members arriving earlier or staying later than the standard itinerary are responsible for their own transport and hotel arrangements and payments (before and after the build). Please liaise with Habitat for Humanity GB should you wish to extend your flight (subject to availability)
- ✓ All R&R arrangements (unless specified in itinerary) should be organised independently but Habitat for Humanity may be able to help with arrangements. Please contact us with your requirements
- ✓ Cultural activities will be determined before arrival
- ✓ This is a strenuous trip with much physical activity. It is not a holiday and therefore should not be treated as such. Please ensure you are confident you are physically able to undertake such a trip. You may wish to consult your GP.
